***Re: Rosa et al v. Penta Restoration et al
Civil Action No. 15-cv-03286***

Dear Judge Sconlon:

This office represents Plaintiffs in the above referenced action. The Court directed the parties to file a joint letter setting forth the status of the case as well as the status of the discovery.

The parties have exchanged discovery demands and anticipate exchanging discovery responses on February 1, 2016. Parties have not conducted depositions as settlement negotiations are ongoing. While parties remain far apart in terms of settlement value for the claims, both parties; counsel believes court supervised mediation may facilitate a settlement.

Counsel for both parties apologize to the Court in the delay in providing this correspondence.

Very truly yours,

/s
